

Our prices are up to 70% lower than typical Western Europe rates

For over 30 years, we have partnered with leading dental practices in Germany, the Netherlands, and France delivering restorations that meet the highest standards of precision, aesthetics, and reliability. Our deep understanding of Western clinical expectations ensures seamless collaboration, consistent quality, and results your patients will value for years.

Long-Term Collaboration Discounts

For contracts of **one year or more**, EDIS offers our partners an exclusive **25% discount** on all restorations. We believe strong partnerships deserve recognition, and this program ensures you enjoy sustainable savings without ever compromising on quality, precision, or aesthetics.

Seamless Ordering Wherever You Are

Our partners across Europe already work with us remotely every day. Digital case files are uploaded directly from your scanner, and our design team starts within hours. Restorations are shipped daily with reliable couriers, and most clinics receive their cases within 3–5 working days.
